Subject - Supersession of Honnali Municipality

Adverting to Government Order No L 2462-5 Ml 94-35-4 dated the 4th October 1935 directing the supersession of the Honnali Municipal Council for a period of two years and calling for a report two months before the expiry of the period of supersession as to how the arrangement has worked along with the recommendation for the future I have the honour to forward herewith copy of the report received from the Amildar president in the matter together with a copy of its enclosure It may be kindly observed therefrom that on the date on which the Council was superseded the total liabilities of the Municipality were Rs 2205/- All these liabilities have been fully discharged in addition to the payment of current contributions amounting to Rs 1272/- and no liability is reported to be outstanding at present The arrears of Municipal taxes to be recovered have also been reduced But for the outbreak of Cholera twice during the year 1936-37 the financial position of Municipality would have been still better

2) The Amildar reports that if the Municipal Council now under supersession is restored, there is no likelihood of securing proper persons who could be expected to place public

to further legal action necessary but which a Municipal Council may possibly hamper The long overdue revision of Mohatarfa is imminent in this Municipality and the result is bound to meet violent opposition especially when there is a meddlesome Council Nextly in furtherance of certain beneficial schemes necessary action has got to be taken at the nearest future to levy water and lighting cesses which are bound to lead to much opposition In such a circumstances a Council will prove a burdensome affair and a centre of accute opposition

In the above circumstances I beg to opine that in the interests of this Municipality its present period supersession may kindly be recommended for extension by a further period of two years
